

Masashi Chiba

Curriculum Vitae

Positions Held:

Jun 2003 – present	Full Professor, Tohoku University
Feb 1996 – Jun 2003	Associate Professor, National Astronomical Observatory of Japan
Sep 1989 – Feb 1996	Assistant Professor, Tohoku University
May 1992 – Dec 1993	Humboldt Fellow, Max-Planck-Institute for Radio Astronomy

Education

1986 – 1989	Tohoku University, Astronomical Institute Degree: D. Sc (awarded June 1991)
1982 – 1986	Tohoku University, Department of Astronomy Degree: B. Sc

Prizes & Honors

1992 – 1993	Fellowship from Humboldt Foundation
2021	Hayashi Chushiro Prize awarded from Astronomical Society of Japan

Invited Lectureships

The University of Tokyo, Hokkaido University, Tsukuba University, Nagoya University, Ehime University, Tohoku University, Rikkyo University, Sokendai University, Konan University, Kindai University, International Christian University, Niigata University

Selected Recent Service to the Community

2019 – present:	Member, Advisory Committee of PASJ
2016 – 2020:	Member, Advisory Committee of NAOJ
2013 – 2015:	Time Allocation Committee, Subaru Telescope
2011 – 2015:	Member, Selection Committee of Young Astronomer Award of ASJ
2009 – 2020:	Chair, Advisory Committee of Sendai-City Astronomical Observatory
2005 – 2006:	Member, Subaru Advisory Committee
2005 – 2007:	Time Allocation Committee, Subaru Telescope
2003 – 2005:	Chair, Subaru Time Allocation Committee
2003 – 2006:	Member, Research Exchange Committee of NAOJ

PhD Students

Genta Sato (private company)

Jowett H.-Y. Chan (Postdoctoral Fellow, National Center for Theoretical Sciences, Taiwan)

Anton T. Jaelani (Lecturer, Bandung Inst. Tech., Indonesia)

Daisuke Toyouchi (Postdoctoral Fellow, Osaka University)

Kohei Hayashi (Senior Lecturer, Sendai College)

Miho N. Ishigaki (Assistant Professor, Subaru Telescope, NAOJ)

Hirohito Hayashi (Miyagi Prefectural Office)

Tsuyoshi Sakamoto (private company)

Professional Society

Member, Astronomical Society of Japan

Summary of Publications (March 2024)

Total of 217 (125 peer-reviewed) articles in the leading journals, Total of two published invited articles, Five (eighteen) papers with at least 500 (100) citations in ADS. Total (ADS) citations is more than 9,100, h-index of 44.

Books (all in Japanese)

Galactic Archaeology (2015, Nippon Hyoron Sha Publishers)

Dictionary of Astronomy (Co-author, 2012, Nippon Hyoron Sha Publishers)

Cosmology II (Co-author and Co-editor, 2007, Nippon Hyoron Sha Publishers)

Galaxy II (Co-author, 2007, Nippon Hyoron Sha Publishers)

Introduction to Astronomy (Co-author, 2001, Asakura Shoten Publishers)
