

## Masashi Chiba

## Curriculum Vitae

### Positions Held:

|                     |                                                                 |
|---------------------|-----------------------------------------------------------------|
| Jun 2003 – present  | Full Professor, Tohoku University                               |
| Feb 1996 – Jun 2003 | Associate Professor, National Astronomical Observatory of Japan |
| Sep 1989 – Feb 1996 | Assistant Professor, Tohoku University                          |
| May 1992 – Dec 1993 | Humboldt Fellow, Max-Planck-Institute for Radio Astronomy       |

### Education

|             |                                                                                |
|-------------|--------------------------------------------------------------------------------|
| 1986 – 1989 | Tohoku University, Astronomical Institute<br>Degree: D. Sc (awarded June 1991) |
| 1982 – 1986 | Tohoku University, Department of Astronomy<br>Degree: B. Sc                    |

### Prizes & Honors

|             |                                                                   |
|-------------|-------------------------------------------------------------------|
| 1992 – 1993 | Fellowship from Humboldt Foundation                               |
| 2021        | Hayashi Chushiro Prize awarded from Astronomical Society of Japan |

### Invited Lectureships

The University of Tokyo, Hokkaido University, Tsukuba University, Nagoya University, Ehime University, Tohoku University, Rikkyo University, Sokendai University, Konan University, Kindai University, International Christian University, Niigata University, Kyoto University

### Selected Recent Service to the Community

2019 – present: Member, Advisory Committee of PASJ  
2016 – 2020: Member, Advisory Committee of NAOJ  
2013 – 2015: Time Allocation Committee, Subaru Telescope  
2011 – 2015: Member, Selection Committee of Young Astronomer Award of ASJ  
2009 – 2020: Chair, Advisory Committee of Sendai-City Astronomical Observatory  
2005 – 2006: Member, Subaru Advisory Committee  
2005 – 2007: Time Allocation Committee, Subaru Telescope  
2003 – 2005: Chair, Subaru Time Allocation Committee  
2003 – 2006: Member, Research Exchange Committee of NAOJ

### PhD Students Supervised

Yoshihisa Suzuki (Postdoctoral Fellow, NAOJ)

Dafa Wardana (Postdoctoral Fellow, Tohoku University)

Genta Sato (private company)

Jowett H.-Y. Chan (Postdoctoral Fellow, National Center for Theoretical Sciences, Taiwan)

Anton T. Jaelani (Lecturer, Bandung Inst. Tech., Indonesia)

Daisuke Toyouchi (Assistant Professor, Osaka University)

Kohei Hayashi (Associate Professor, Sendai College)

Miho N. Ishigaki (Assistant Professor, Subaru Telescope, NAOJ)

Hirohito Hayashi (Miyagi Prefectural Office)

Tsuyoshi Sakamoto (private company)

### **Professional Society**

Member, Astronomical Society of Japan

### **Summary of Publications (September 2026)**

Total of 258 (144 peer-reviewed) articles in the leading journals, Total of 2 published invited articles, Total of 7 (23) papers with at least 500 (100) citations in ADS. Total (ADS) citations are more than 11,200, h-index of 46.

### **Books (all in Japanese)**

Galactic Archaeology (2015, Nippon Hyoron Sha Publishers)

Dictionary of Astronomy (Co-author, 2012, Nippon Hyoron Sha Publishers)

Cosmology II (Co-author and Co-editor, 2007, Nippon Hyoron Sha Publishers)

Galaxy II (Co-author, 2007, Nippon Hyoron Sha Publishers)

Introduction to Astronomy (Co-author, 2001, Asakura Shoten Publishers)
